

**EIGHTH MESSAGE      FEBRUARY.7.2015**

“No one knows better the day that I will come to judge the Earth with severity, than my Father who set the day from eternity<sup>1</sup>”

The day is near, prepare your hearts to the Lord who comes to rule the Earth with justice. Why do you live as if this place in which you live will be the place where you would live forever? It is a lie, and lies come from Satan<sup>2</sup>, he makes you live as if you were owners of the Earth by acquiring property. No! You are travelers, you are pilgrims on the road; do not be deterred with the things of this world. That is deceitful and it distracts you from your salvation.

Prepare your hearts to the Lord<sup>3</sup>, who comes to establish a Kingdom of peace over wars and discords, a Kingdom of love over hate and ingratitude, a Kingdom of Justice over so many lies. Walk every day towards the ultimate goal line; do not stop in the things of this world. Only Satan wants you to live as if you are always going to remain in this world. He is the prince of lies; do not believe him, do not listen to him. I repeat; you are walkers, pilgrims traveling towards the goal line, towards eternity and you will leave this world. The prince of this world only wants the perdition of your souls; that is why he wants to trap you into this world to the point of not being able to come undone off him. Do not believe him! Do not listen to him!

Live in peace, but detached from the things of this world, because it has a final time, a time that all will cease. For your own good, keep in mind, your condition of pilgrims. Do not grieve so much for the things of this world, that are finishing and that will end forever, instead wait each day

with joy, love and the desire that the Son of Man will finally come<sup>4</sup> to establish the Kingdom of God in this lost world, a world without heading, which its ultimate end is desolation. Don't worry about tomorrow<sup>5</sup> because you do not know if tomorrow will come. You do not know if the minute in which you live will eventually be the whole minute, and you continue to worry for so many vain and useless things. Worry about your own salvation and the salvation of your brothers<sup>6</sup>.

I call you to conversion<sup>7</sup>, to peace among you, to walk with joy along this expiring world. Do not wait and help your brothers to walk.

Look that I come to rule the Earth dress with power and Majesty<sup>8</sup>; My Cross will be the Glory of this world. Understand children: do not let your thoughts be taken over by the things of this passing world<sup>9</sup>. All will end and only the love of your works will remain<sup>10</sup>. Do not let yourselves be distracted from what is going to happen tomorrow: It is a deception of the evil one that wants to distract you from the grace that today I am pouring over you so you lose it, so that it bears no fruit.

Go to Church and honor My Name; do not worry about what others might say; come to be with Me, join Me in the Tabernacle where I wait for you day and night; do not leave Me alone. I Am always alone! Accompany Me with your love and your prayers, for you and for your brothers and sisters<sup>11</sup>, for the Pope, for all those that must govern My Holy Church. Do not give so much importance to the things of this world. Ask My Holy Heavenly Father for the real things that will never end: love among men,

peace in families and in My church, the union of all Christians for My Glory and My joy to see all my children gathered around Peter.

Dear children! Rekindle your efforts to love, the love between all. How much discord, how much criticism, how many disappointments in my Holy Church by not yielding to your brother. You are full of pride and arrogance; you are not humble. Only on the way of humility you can be pleasing to My Holy Father and honor My Sacrifice on the Cross. Do not make Me suffer with your disputes in My Name; in My Name there can never be lack of affection; in My Name even life is given up for love, but your brother is never hurt. Do not forget it! If you make your brother suffer it is never in My Name. When you correct your brother let it be with extreme charity<sup>12</sup>.

Place yourselves in My Cross; stay crucified before him and then remind him of his faults: but you never go up to the pedestal to correct; always from My Cross.

Cover yourselves with patience, with Holy patience, the one that waits against hope, which puts everything in my hands, and keeps the peace in your heart, that it is not irritated by impatience or discouragement, but as a leaf in the wind, waiting for the time in which the wind will deposit it on the soil or in any other place and it still does not plan on staying there, but to be blown away from one side to the other. This is the patience that I want from you. Do not feel owners of yourselves, because you are not. I am your proprietor<sup>13</sup>, and I know where I will lead you to so that you settle, but I can return to unsettle you; everything for my Glory and the good of your souls.

Do not get irritated in the circumstances of this life; it is necessary for your salvation and that of your brothers. Why don't you let God be the one

who chooses your life? Why do you resist My Will so much? Why do you fear? Perhaps you do not trust the One Who loves you so much that gave His life in the Cross for you? Oh, sons of My soul, My little ones, My children, My loved children! Trust in Me<sup>14</sup>, trust in your Savior that loves you so much. The world does not know My Love<sup>15</sup>. Speak to the world about My Love. The world is in need of your total surrender without limits, of your love without limits, of your patience without limits, your trust in God without limits.

Oh my little ones, if you only knew how much I love you, if you only knew of My Love! You would be always happy even in adversity, but you forget My Love because you let yourselves be deceived by the prince of lies<sup>16</sup>. How can I tell you, children that you are never alone, that I am always with you<sup>17</sup>, but you still tremble at every moment of fear and hopelessness. No children! Remember that My hand is always holding you and I would not let go, be patient because everything will end and you will see me face to face and we will be happy in an eternity of love; but be faithful to My love, fulfill My commandments<sup>18</sup>. This is important! Because they indicate the way of love and only in Love there is Salvation.

I come, children, I come to you. Everything has finished, everything is going to end, but there is still a short time to wait.

Join me each day in prayer, in the Holy Mass; receive My Body in a state of grace, wash off your sins in the sacrament of confession<sup>19</sup>. Do not let your brothers receive Me in sin by their lack of Knowledge! Tell your brothers of the need of the Grace of the soul to receive Me. Do not permit Me to enter a soul full of snakes and darkness by mortal sin! Do not make

me suffer any more by the ignorance and the permission of souls that receive me in mortal sin.

Help me children, help Me by compassion!, since, even in souls that receive Me in grave sin by ignorance, My suffering is so great that the entire universe could not contain it. Listen, listen to these words and relieve My suffering! I will repay you one day in heaven where I will love you forever, little children of My soul.

My delight and My consolation is your love for Me and your brothers, in a world lost by the lack of love, hate and revenge, who wanders aimlessly, on the road to perdition. How many souls are lost by the hate towards their brother, by the desire for revenge! Do not allow it! Fight always against hatred with your prayers and sacrifices: which it is the larger door that is open to Satan in your life. The kingdom of Satan is established in the soul that hates. Do not allow it! you who follow your Master on the Cross, who gave everything for love<sup>20</sup>. Look at the Father who sent His only Son by a Love that you could never understand or glimpse at; only in heaven you will understand its fullness because His Love is incomprehensible, unfathomable of and eternal. You are children of love; help, love those who hate, love with your prayers, sacrifice and preaching, if necessary. I send you as sheep among wolves<sup>21</sup>; but you are sheep of the Lord<sup>22</sup> and I am your Good Sheppard<sup>23</sup>, you will never be snatched by the darkness by the wolf if you do what I order you, and do not separate from My staff<sup>24</sup>.

Fight against the lie<sup>25</sup>; it is the enemy of the Truth, of Me. It will attack Me to destroy me. Do not allow it! by always being men and women of

truth, that in your lips and heart there do not exist a single lie. There is no lie small or large; It is a lie, and in it is always Satan.

Let your eyes be clean. Do not look at evil! As it may guide you to where it cohabitates.

Your hands be pure, and all their actions be pure.

Keep your body faultless<sup>26</sup>, since your guest is the God of heaven. God created it; and in it the sanctification work of My Holy Spirit<sup>27</sup>.

Darkness approaches children; be prepared and vigilant, that does not take you unprepared. That day will be terrible: only in Me you will find help. Do not rely on the world: Satan governs it. Come to Me, children, come to Me. I wait for you. I will not always be with you; understand, read the Scriptures and understand; days will come that you will seek Me and I won't be there, because the prince of this world shall abolish the Sacrifice of the Altar<sup>28</sup>. I warn you; help Me in these last days. Keep My Word<sup>29</sup> in your hearts. Love your Savior<sup>30</sup>
