

**THIRTEEN MESSAGE      JULY.7.2015**

A sign will be given to you, the sign that accompanies the Son of God, a Cross will rise above all kingdom and power, it is the Cross of the Son of God<sup>1</sup> that comes with Power and Majesty to govern the Earth<sup>2</sup>.

A light, a light will rise in the sky over all humanity, the light of Truth, of Good and of Justice.

A scale will settle on every soul, a scale to measure, to weigh the works of your life, of your heart. A divided kingdom is in your heart, a constant battle dwells in it, a struggle and a force persists and remains in your interior; everything will be weighed and calibrated, since it is time the of Justice. Nothing will escape My Wrath, says the Lord, since I was at your door<sup>3</sup> and came for you, for your love and you did not open it to Me, you preferred the kingdom of darkness.

It is the hour of Love: all hearts will be exposed to Me. This is the hour of Justice and with the love of a mother I wait for you children of My Soul, with the love of a husband I wait for you, My dear ones, with a filial love I hug you. Everything will be weighed in the scale of your life, everything will be measured to fulfill My Justice, since I come, I come with Power and Love to this earth in which you live by My Mercy, dear son.

Who waits for me? You are full of yourselves. Come out of you! Come out from your hidden places in which you hide and shelter from yourselves, since it is time to appear before the Son of Man; it is the particular judgment of your souls. My dear ones, you believed that this day would never come, but it must come and it will come, and everything will be fulfilled; it is the time of Truth.

<sup>3</sup> Rev 3, 20

Nothing will happen without you being warned first, I warn you children through the apostle of My Mercy of My Divine Heart. It is the hour of judgment: prepare to appear before me at the particular judgment of your souls.

This world will turn off its light, will stay in the darkness to give pass to My Glory. It will be a terrible day as it has never been nor will ever be<sup>4</sup>; but it is necessary to establish My Kingdom. There is no kingdom of love without justice, there is no peace without love.

This is not the time of mockery of My Messages. I want you to read this message with attention and with rigor, without fear, but with seriousness. Where is your silence to meditate in it? Seek it. Where is your reflection to meditate in your life?

Nothing happens without prior Notice, I warn you through My dear girl of My Soul, listen to these words and live through them. Time is approaching in which you would not know where to hide from the evil I will send over the Earth<sup>5</sup>, since rigor has begun. Everything had to be fulfilled: why are you surprised? Do you not read the Scriptures? Since it has been written in it over the centuries for you. Why do you not understand Sacred Scriptures? Why is your mind numb? From what is your mind full of to not see what with light shines before you?

What is man that you are mindful of him<sup>6</sup>?, you say to Me.

-Well children, you are mine and I have won you on the Cross<sup>7</sup> for an Eternal Kingdom; pay attention of My Words, otherwise you will die in the fire that does not extinguish; since there is only one way to salvation.

Listen today to these words that, with unfathomable Love, I offer you son of My Father<sup>8</sup>, by My Mercy, listen today to these words! And do not

throw them in deaf ears, since the scales of measuring, of weighing your life, approaches to judge this world with rigor, since it should respond for the blood of the Son of Man that was spilled for its salvation<sup>9</sup>. It has to respond to the Love I bestowed upon you, every day, before the contempt and the deaf ears of a humanity that does not recognize the Love of an Incarnated God, that came to this world to pay for all their crimes and sins<sup>10</sup>.

Oh Israel, small sheep of my fold, how many sleepless nights thinking about your love and you pay Me like this! You are obstinate and stubborn of heart<sup>11</sup> and by the heart you will get lost.

Listen to these words, city of My Heart, and repent Oh Jerusalem<sup>12</sup>! Do you not recognize My arrival in this world for your salvation. Now is the time to correct the perfidious and bloody that you were, to repent and cry your sins since not even a drop of blood will be left without justice. The world laughs while you weep<sup>13</sup>.

Oh Corazin<sup>14</sup>! that in you I put the gold and the diamonds and were thrown into the manure and trampled by your wickedness<sup>15</sup>. It is time to recognize the Son of Man. It is time to lift your arms to heaven and ask for forgiveness, because time has arrived and there will be no salvation outside of Me.

I do not hear your cries for the useless and vane things in this life, but I do hear the screams in your heart for the salvation: But I don't hear them! Where are they? What are you doing? I don not hear your screams asking Me for your salvation!

It is time to gather the cattle, close the sheepfold, dress in sackcloth and ashes, to implore the forgiveness of your sins and wait in peace My arrival.

It is the time of salvation, but where are you?, What are you doing? What do you play in this world that will be your perdition? Why were you afraid of My Words of conversion to your heart, but you were not affraid of the sin in your heart. How many laughs I hear that will lead you to the eternal fire if you do not leave sin and turn to Me.

Why is there so much confusion? Why do you not look upon the Son of Man, but instead you look at yourselves and in you the salvation is not.

You gloat in your filth and do not get out of it. Enough! The wrath of God<sup>16</sup> weighs on this world of sin since it can not resist any more evil in this world, no children, that the evil that you do not see is greater than the one you believe to see in this world, but My Sacred Heart has present day and night all the evil of this world until it can no longer stand it and cries: Enough! Tears, suffering, pains, of so many innocent people's hearts who are uprooted by the force of sin, of their innocence, their goodness, of their smallness, by the proud ones of this world, haughty and shameful criminals who extend the corruption, the evil and the crime in all corners of this world<sup>17</sup>.

My Father already asks for justice, for a rigorous and implacable justice, because only the Divine Justice will clean the horror and terror up to the total extinction of it from this world.

Oh Israel, that you did not recognize My arrival, now you will see Me dress in Glory and Majesty descending through the clouds in the sky<sup>18</sup>, and will recognize your sin, your idolatry, your lack of faith!

Oh My people, how much pain in My heart for your obstinacy, for your stubbornness, for the wickedness of your eyes that did not see the Son of

God, having Him in front of you, shining in the Spirit of God, the Words of God; you did not see Him because your eyes were closed to Love and Truth, by the unrepentant sin that lies in your heart, imprisoned by the evil forces that prevent your eyes to see the light! Only with a glance of love, with a silent listening of a single Word of Mine you would have recognized Me! But you looked elsewhere. How much pain you caused to the Heart of My Father, who sent His only Son for you to this world, where His life was snatched from Him in a cruel torture. Only a glance of love, a single Word<sup>19</sup> that you would have let through your heart would have been sufficient to recognize the Son of Man who dwelt among you<sup>20</sup>!

O my people, how much pain in the heart of your God and Lord caused by your obstinacy and your stubbornness<sup>21</sup>! Now is the time of repentance and forgiveness, come to the source of My Mercy and there you will wash all your faults and your souls will remain white like the snow<sup>22</sup>.

Come to the clean water<sup>23</sup> of My Holiness. How much pain you caused in the Heart of my Holy Father! Now is the time for reconciliation or there will be no more time.

I warn you through My dear girl, listen to her, since there will not be time for many more messages: everything will be complicated until it won't be possible to have them reach you. Why don't you hear now that it is easy? She is at My service and complies with My mandate, listen to her, because they do not come from her but from Me, from your God and Lord, sheep of My herd<sup>24</sup>.

It is late, the night approaches, a darkness that will make you tremble because it will appear that will never dawn, will be days like you have

never known<sup>25</sup>, neither have you been told that this ever happened before, It will be a darkness that will purify you and will make the intentions of your heart clear. Take advantage of this time of purification for it will be as bleach that will purify your souls until they are clean and free of all the evil that was in them.

It's time to listen to My Voice<sup>26</sup>, to gather yourselves in a profound silence in front of your life, to warn your brothers because the end of this time has come and it will open the way to the time of My Glory.

My Mother waits for you to lead you to My Holy Heart in the holy places where the Father, in His infinite Mercy to this world, allowed her to put her immaculate feet.

Children, it is no longer time to live for this world, but to turn your gaze to Heaven: everything you have, as if you have not<sup>27</sup>; put everything to My service to win souls for the Kingdom of My Father.

Pain consumes My Heart of sadness when I see the road to perdition by which my dear children walk, for whom I spilled My Blood on the Cross.

My Heart is grieved and suffers for the souls that are snatched by the evil one and leads them on this path of eternal perdition.

Do not deny the existence of the devil<sup>28</sup>, in your lives, in the world, as it is his strategy to loose you: do not look at him, do not think about all the things that come from him. Listen to Me children and you will save your souls!

I am at the door and call, I call you to conversion. I prepare you with My Love. I put you in the hand of My Holy Mother.

My farewell is full of pain because the world does not listen to Me.

I, Jesus, speak to you and lead you to My Kingdom for an eternity Love. Do not waste the time of grace that today I am spilling on you, dear children. Alleluia. Amen.

My heart is enclosed with thorns by your ingratitude. You lacerate My Heart day and night with your lack of faith and trust in My Love. You submit Me to the hardest martyrdom with your sins. With nails and scourges: as the toughest executor of My Passion you scourge My Body with your rejection to Me, to My Love and My Death on the Cross, with the most dirty and terrible sins.

You do not console My Mother, you forget her pain, you only ask and ask but do not contemplate her pain.

You have no compassion for your God and this will be in the scales of justice to clean the earth of the injustice and rejection to the Santity of God: the most terrible sin that exists on the earth.

Be courageous in proclaim my name. Your respect and adoration To My Holiness keeps on supporting this world and appeases the wrath of God. Worship God with all your might, prostrate yourselves before Me. Respect the Santity of your God and it will be the consolation of My Heart.

Gathered in My Holy Name and I will pour out upon you the clean water that will purify you<sup>29</sup>, that will open your mind to My Grace. It is time that you be united, always with the presence and assistance of My priests, never alone, because in them lies the channel of My Grace.

Ask My mother to shelter you in her Sacred Heart, deposit in it your children and they will be saved from evil and sin, there they will be safe, be not afraid.

Speak frankly, to your brothers, of the imminence of My arrival. One day you will be rewarded in Heaven for all your efforts for My Kingdom.

<sup>29</sup> Ez 36, 25 ; Jn 7, 37-39

Do not get alarmed of everything that is going to happen since it must happen so that everything is fulfilled.

Penance, penance, penance, the world laughs while you mourn, but one day your tears will become joy<sup>30</sup> and the Earth stained with blood and horror will become an orchard<sup>31</sup>.

Evil will come with fury to trample on My holy people<sup>32</sup>, but everything will end and you will be caught up to My Presence. I will lead you to the holy residences. Children help Me in this final battle.

Do be never be disheartened to follow Me because your reward will be great one day in Heaven<sup>33</sup>, put yourselves to work and to serve the God of Heaven, run towards the goal, look for the crown of Glory, the crown that does not wither<sup>34</sup>.

Oh children, how much do I love you, and carry you in My Heart. Thank you children, console My Heart.

Silence.

Ave Maria...

I am your Jesus, who speaks to you. Listen to My Voice.
